**“SPONTANEOUS HIKE” No scheduled hikes/walks in January, February, November or December.** If the weather looks good and a member wants to do an Angora hike, they will notify President Trung or Chief Guide Bill Herold (contact information below) of the hike, start time and meeting place at least 3 days in advance allowing for email notification of the hike to the membership.

On all hikes, participants need to stay together, follow the leader and stay ahead of the appointed rear guard (or sweep). There should always be a rear guard or sweep. If hikers opt to go off on their own, they must notify the rear guard/sweep so the rest of the hikers are not waiting for them. Hikers should evaluate their own hiking ability so they do not slow up other hikers. Volkswalks are 10K or 6.2 mile hikes and are marked M/D or D because of the distance & elevation.
